## Creating Compassionate Community in Pediatric Palliative Care

Presented by  
Texas Pediatric Palliative Care Consortium

July 25-27, 2019  
South Shore Harbour Resort - League City, TX 77573

## INVITATION to SUBMIT ABSTRACTS

**Submission deadline: March 1<sup>st</sup> 2019**

The Texas Pediatric Palliative Care Consortium and Project Joy and Hope are pleased to announce the 11<sup>th</sup> Annual Pediatric Hospice and Palliative Care Essentials Conference. Compassion – a deep sense of empathy and desire to alleviate suffering – is a principle hallmark of pediatric palliative care. The complexity of our health care system, and the needs of children and families facing serious and life-limiting illnesses requires health care providers to provide compassionate care across the disease trajectory and locations of care. Compassion based health care improves quality of care, patient and family trust of providers, and improves care outcomes.

This year's conference, **Creating Compassionate Community in Pediatric Palliative Care**, seeks presentations that highlight exploration of compassionate care within hospital and community based organizations in the following categories

- Pain and Symptom Management
- Therapies/Supportive Services/Community Based Care
- Advance Care Planning/Care Coordination
- Grief/Bereavement/Sibling issues
- Ethics/Advocacy/Policy/Legislation
- Research/Evidence Based Guidelines/Best Practices
- Patient/Parent/Professional Education

**Podium Presentations** will be a total of 55 minutes in length allowing a suggested 10 minutes for questions. Accepted primary presenter will receive 50% discount on conference registration.

**Poster Presentations** are designed for content that can be effectively displayed in a visual format aided by appropriate handouts and personal interaction with the presenter. Poster presenters are required to register and pay in full.

Please submit abstract online at [www.texasppcc.org](http://www.texasppcc.org) or email abstract form for both podium and poster presentation to:
